

COMPANY PROFILE

PT. MAB Advisory Group

PT. MAB Advisory Group

KKP MAB Consulting

Handling all aspects of corporate and individual taxation, including strategic tax planning, compliance reporting, consultation, and audit assistance.

Our team provides comprehensive and up-to-date tax solutions designed to align with the latest regulations and business objectives.

We help clients achieve smart and sustainable tax compliance, minimize potential risks, and optimize overall tax efficiency to support long-term financial growth.

KJA MAB Consulting

Providing professional services in accounting, financial statement preparation, and accounting systems integrated with your business needs.

We ensure that every report accurately reflects the company's financial condition and complies with applicable accounting standards.

Vision & Mission

of MAB Advisory

Mision

- Provide the best accounting, tax, and information system consulting services supported by the expertise and experience of our consulting team.
- Develop innovative solutions to enhance efficiency and productivity for our clients, helping them achieve long-term business goals.
- Strengthen long-term relationships with our clients through effective communication, active engagement, and quality customer service.
- Drive the success of our clients by adhering to applicable tax and accounting regulations, providing secure, reliable, and effective services.
- Enhance the excellence of our consulting firm through the improvement of skills and experience of employees, as well as adopting the latest and best technologies that align with our clients' needs.

Vision

- MAB Consulting envisions being the forefront and One Stop Solution for clients in optimizing business performance through innovative and professional consulting services in accounting, tax consultation, and information system consultation.
